

## **SCHOLARSHIP WINNERS 2022**

### **Nick Logothetis Scholarship in Business Studies \$2000.**

William Hutchison is enrolled in a Bachelor of Commerce program at Concordia University in Montreal and working toward a degree in accountancy and eventually becoming a CPA. William is an active member of the Montreal Sons of Pericles chapter, helping in their programs and fundraising efforts. He appreciates the mentorship and discussion with persons in the accountancy profession and is looking forward to his future contributions to the field.

### **Katsepontes Family Medicine Scholarship For \$1500**

Alexandre Apostolatos is a medical student at Universite de Montreal and currently in his first year of clerkship. His extra curricular activities leading to medical school instilled in him a passion for humanitarian medicine. He will pursue his interest in global health and the effect of climate change on health in his research and career.

### **Dimitriades Memorial Medical Scholarship for \$2000**

Sotiris Psycharis is a Dentistry Student at McGill university; raised by immigrant parents and grandparents, he takes special pride in his Greek Heritage. He intends to have a dental practise that provides for care in the Greek Community and has already developed a Greek English dental lexicon to assist in dialogue with Greek speaking patients. Sotiri also likes to synthesize his other interests in art and science and education into his current studies and future patient care.
